

Stepping Stones to a Career in Dry Stone Walling

Want to work in the countryside?

Want to broaden your skill set?

Why not train for qualifications in dry stone walling?

Thanks to a grant from the Prince's Countryside Fund the Dry Stone Walling Association can offer fully funded training and qualifications in dry stone walling. We are offering 2 x 1 week training courses plus a Level 1 Lantra Accredited Qualification in dry stone walling to a limited number of young people pursuing a rural career. Training will be delivered by a Master Craftsman Instructor at our National Training Site near Kendal, Cumbria. If you are interested in this exciting opportunity, please complete the enquiry form below and send it to the Dry Stone Walling Association at the address above or contact us for more information.
