

**Employability
Durham**

Durham Advance

Supporting those out of work and aged 25 and over with health conditions, as well as residents over 50 years old. We can help you to overcome barriers and move into employment, education or training. We work across County Durham to offer information, advice and guidance to those looking to return to work.

This includes:

- A dedicated adviser to support you through your journey
- Dedicated outreach support in a community venue near you
- Developing a clear action plan taking into account your needs and goals
- Advice on CVs, job search and interview preparation
- Access to health and wellbeing services
- Links to training and employment opportunities
- A link to specialist support services such as welfare, housing and care
- Access to funding to overcome barriers and improve job prospects
