Employability Durham **Support for Employers**

Employability Durham is a dedicated Durham County Council service, working with residents of the county who are aged 25 and over, unemployed and would like to return to work.

If you are looking to create a new job, have an existing vacancy or could offer some work experience opportunities, then talk to us.

We can offer the following services tailored to your needs:

- **Selection** - getting you the right person for the job. We can pre-screen candidates, ensuring they match the skills and experience that you need.
- **Training support** - we can source and provide funding toward the cost of any essential training needed by your new recruit to do the job.
- **Funding** - we have a wage grant of up to £2,000 for eligible businesses
- **In work support** - we offer on-going support to your business once your new recruit is in work.
