Question 11.

Are there any additional services you feel that UTASS could offer?

(19 Responses)

- More training ie trailer training etc
- Quickbooks support
- Agri consulting locally
- A first stop for the call on assistance to take care of stock in times of illness.
- (Better) advice and assistance regarding access to various grants?
- Linking community groups to potential external/grant funding
- Advice / training on RPA funded environmental schemes. I think these will become more important after BREXIT.
- Work more with other Middleton-in-Teesdale groups
- In the future support will be required in terms of changes to CAP/BPS/RPA etc due to Brexit. Farmers will inevitably need to change practises or be prepared to 'think alternatively' due to the changes and support and advice will be imperative
- Services more in Weardale - Same problems here.
- Back rural development & new affordable housing & retired farmers. Support local services eg Doctors, District Nurses, Hospital Visiting, post offices, buses, garages, travelling shops, libraries. Encourage farm diversification.
- Macmillan Drop in service? Takes away the stigma of going into the surgery
- More Courses
- Counselling service
- Is there more services you could provide within the building during current open times?
- More stuff for young people
- Will writing
- Counselling.
- I need to be able to spare the time to attend more events that UTASS hold, evenings are a better time as I am at work during the day and can't attend many of the events held such as training courses and mental health / healthy living events which perhaps could be held on an evening.
