

# Youth Team Lead

UTASS is looking for a passionate, resourceful, and motivated person to lead our award winning youth team

- Located:** UTASS Offices, Middleton-in-Teesdale.  
**Hours:** Part Time 12 hours per week  
**Salary:** £13.50 per hour  
**Term:** Fixed term to 31st March 2022 (potential to extend depending on funding)

2020 was a challenging year for the UTASS Youth Team. The Covid restrictions prevented face to face sessions, but generated innovative solutions to maintain contact with the young people in the dales.

2021 will prove equally challenging as we seek to return to some normality, and rebuild and strengthen relationships with our young people.

We are looking for the right person to lead the team through 2021 and beyond. You will be expected to support the review of existing service provision and

lead on identifying new opportunities which will engage and inspire our young people. The Lead will also be responsible for staff development, and some funding applications, monitoring, and budgetary control.

UTASS activities have always been driven by the young people themselves and we look to develop and strengthen their input.
